REPORT OF COMMITTEE ON MEMORIALS AND MISCELLANEOUS RESOLUTIONS.

The Committee on Memorials report as follows:—

1. Your Committee beg to report that, having considered the resolution from the Committee on Statistics, we would recommend that the General Conference be requested to have the Circuit and District Schedules revised, with a view to their simplification and condensation.

2. *Re* recommendation of Sumas and Chilliwack Circuit, referring to the lengthening of the term of ministerial service; we recommend that no action be taken.

3. *Re* recommendation of Simpson District, concerning the Superannuation Fund tax, we recommend that the General Conference be requested to relieve Indian Missionaries in British Columbia from the Superannuation Fund tax, as the amount paid to Connexional Funds on which said tax is based is contributed mostly by the ministers themselves.

4. *Re* recommendation of Simpson District, that this Conference memorialize the General Conference to so constitute the Stationing Committee of the Annual Conference that it shall be composed of two ministerial and two lay delegates from each District, together with the Chairman thereof, we recommend that no action be taken.

5. *Re* memorial of laymen of British Columbia Conference of 1889:—
“That the time has fully arrived to memorialize the General Conference to so amend the Discipline as to allow lay representatives equal voting

power with the ministerial on all questions coming up for discussion and action thereon." We recommend:—That the General Conference be memorialized to so amend the Discipline as to allow lay representatives equal voting power with ministerial, on all questions coming up in the District Meeting and Annual Conference for discussion and action thereon, except Question No. 2 in the examination of ministerial character by the District Meeting.

That Article 141, page 57, of the Discipline, be so amended as to read: "Each Annual Conference shall have a Stationing Committee, composed of the President of the Conference, who shall preside in the Committee, the Chairmen of Districts, and one minister and two laymen elected by each District Meeting. Such election shall be by joint vote of ministers and laymen, and shall be by ballot. It shall not be competent for any Stationing Committee to entertain any invitation from Quarterly Official Boards, or other communications calculated to interfere with the free action of the Committee in stationing."

J. P. BOWELL, *Chairman*.

G. F. HOPKINS, *Secretary*.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

Your Committee are glad to report that a better observance of the Lord's Day is becoming general throughout the Province. In some of the rural settlements, where once there was very little distinction between week day and Sunday, the stores are now closed, and the ring of the blacksmith's anvil or the noise of the carpenter's hammer are seldom heard. In the towns and cities the change has also become very marked. Instead of the restive spirit that once prevailed, there is now more of the wonted quietness becoming the Christian Sabbath.

Your Committee does not wish to leave the impression that British Columbia is perfect in its observance of the Sabbath, for there are many things yet to be deprecated.

It is a matter of profound regret, that influential companies, such as the C. P. R. and E. & N. R. Cos., and the C. P. N. and E. N. N. Cos., should persist in running their trains and steamers as on other days. We had hoped that at least loading and discharging freight would be discontinued on the Sabbath Day, and indeed it was for some time; but Sunday work has been resumed, especially when the China steamers are in port.

It is also a matter of sincere regret that fishing and hunting, boating and picnic parties, are by no means on the decrease. The open saloon, the billiard room and other places of questionable amusement still exist as hindrances in the way of moral and religious reform.

Your Committee recommend:—

1. That a committee be appointed to wait on the managers and directors of the C. P. R. and E. & N. R. Cos., and also of the C. P. N.

Copies of this petition to be forwarded to every minister in the Conference to procure signatures among his congregation and return to the Secretary of the Committee.

REPORT OF COMMITTEE ON MISSIONS.

Your Committee report as follows :—

1. *Re Glad Tidings Mission.*—We recommend that Rev. T. Crosby be appointed to another mission, and that the *Glad Tidings* be used by the Chairman and by the other missionaries (under his direction) in carrying on the work of the District.

2. *Re new boiler and cabin for Glad Tidings.*—We recommend that no action be taken.

3. *Re Indian Land and other Grievances.*—We recommend the Conference to reaffirm the position taken by the Conference of 1888-1889; and further, to express its regret that the Hon. the Minister of the Interior did not attempt to effect a settlement during his visit to the Province, as the Indians had been given to understand would be done; also to urge upon the Executive Officers of the General Conference the necessity of using every means to secure speedy action on the part of the Dominion Government.

4. Your Committee has learned with great satisfaction that a long-felt want in the Simpson District has at last been met by the arrival and residence at Port Simpson of Dr. Bolton, a most efficient medical practitioner and missionary worker, who, with his excellent wife, has been of great service to our cause; and we recommend that the General Board be requested to make a grant towards his maintenance, and thus to some extent relieve the financial pressure which rests upon the missionaries in the matter.

5. *Re Boys' School at Port Simpson.*—Whereas, the building is now completed, we urge the Conference to recommend the General Board of Missions to make a grant towards the support of the Principal of the Institution, and to request the Woman's Missionary Society to provide for the support of a number of the boys; also that the Board of Managers be permitted, within the bounds of the Conference, to solicit subscriptions towards the purchase of furniture, and for the erection of out-buildings.

6. *Re Resolution of Simpson District concerning inequality of salaries of Missionaries.*—We recommend that the matter be referred to the Chairmen of Districts, to be sent direct to the Missionary Secretary.

7. *Re Letter of Mrs. Strachan, Corresponding Secretary of the Woman's Missionary Society.*—We recommend that the selection of a site for the new "Crosby Girl's Home," be referred to a committee, consisting of the

Chairmen of the three lower Districts, with Rev. E. Robson and Messrs. D. Spencer and Dr. Bolton, with power to act.

8. We recommend that the Board of Management of the Boys' Home at Port Simpson be Revs. T. Crosby, D. Jennings, and R. B. Beavis.

C. BRYANT, *Chairman*.

D. SPENCER, *Secretary*.

SUPPLEMENT TO REPORT OF COMMITTEE ON MISSIONS.

On motion, it was ordered that a record of the motions and amendments with reference to the appointment of a Superintendent of Missions for British Columbia, with the result of the vote thereon, be made in the Minutes of Conference.

The Westminster District, by a unanimous vote, sent the following resolution to the Annual Conference:—That we request the ensuing Annual Conference to make due representation to the General Conference next September, of the urgent need which exists in British Columbia for a minister, qualified by experience to do the work of a Superintendent of Missions, similar to that of the Manitoba and North West Conference.

The resolution was referred to the Committee on Missions, which reported, recommending:—That this Conference request the General Conference to include in Rev James Woodsworth's field the White Work in British Columbia.

Moved, that the recommendation be adopted.

Moved, in amendment, that the Minutes of the Westminster District be adopted. Amendment put and lost.

Moved in amendment, that the words "White Work" be struck out of the recommendation of the Committee. Amendment carried.

The motion, as amended, was then put, and lost by a vote of 13 to 18.

REPORT OF THE SABBATH SCHOOL COMMITTEE.

Your Committee on Sabbath-schools beg to report as follows:—

1. That there is an increase in nearly every item tabulated in the Statistical report.

2. That notwithstanding the notable increase in the number of scholars, the average attendance is reported as less than last year.

3. That a growing increase in missions, and local efficiency, is evidenced by the great increase in amount raised for the Mission Fund and for Sabbath-school purposes.

4. Your Committee regret that so few conversions take place in our Sunday-schools, which fact ought to lead to heart-searching by our ministers and by the officers and teachers of our schools.

5. Your Committee recommend that Rev. J. P. Bowell be appointed Treasurer of the Sunday-school Fund.

Let us pray God to fulfil His promise to pour out His Spirit upon the sons and daughters of our people, for verily the promise is not only to us but to our children.

REPORT OF COMMITTEE ON TEMPERANCE.

While your Committee very sincerely deplore the enormity of the liquor traffic in our Province, we note with gratitude the fact that temperance sentiment is growing, and that public opinion is becoming stronger on the side of right in this regard.

We believe the present and urgent duty of the Church on this question to be:—

1. The careful training of our young people in temperance principles in our Sunday-schools, and in the juvenile temperance societies.

2. The preaching of total abstinence as a Christian duty, the sinfulness of the use of, and traffic in, spirituous liquors; and the responsibility of the individual for the existing state of things. We would urge the enforcement of the Discipline against members who indulge in the use of intoxicating liquors.

3. In view of the coming elections, we deem it the duty of each member of this Conference to do all in his power to secure the election of such men as will legislate in the interests of temperance and morality; and to this end we would reaffirm that part of last year's report which says: "That as the ultimate power of the people to influence the Legislature is found in the ballot box, we declare our purpose, by the pulpit, by the press, and by every legitimate means, to inculcate the responsibility of all Christian men and good citizens to subordinate political party alliances to the great work of securing the abolition of the accursed liquor traffic."

And further, we would reaffirm clauses 6 and 7 of last year's report, which read as follows:—

"6. Your Committee deplore the way in which the Sabbath is desecrated through the drink traffic, and would urge upon the Licensing Commissioners and City Councils that action be taken to close the saloons from seven o'clock on Saturday night to six o'clock on Monday morning, as well as other places of business.

"7. We would also call the attention of the proper authorities to the way in which the law is violated by the steamboats. Liquor is sold at the landings, for which they have no license, and great trouble and annoyance is the consequence; and we strongly urge upon the authorities that more stringent measures be taken to stop this evil.

"We also lament the fact, that notwithstanding the stringent Indian liquor law now in force, the Indians are able to procure large quantities of liquor in various parts of the Province, thus entailing much suffering and trouble in many ways."

SUPERANNUATION FUND.

*Treasurer's Annual Report and Statement for the Year, ending
July 31st, 1889.*

I am happy to be able to report that the amount raised for the Fund on our Circuits during the past year has been greater than that of any preceding year; and that all expenses have been met, and all claimants paid in full.

I cannot, however, avoid expressing my regret that a few of our Circuits still fail to pay in full the amounts apportioned to them; thus placing a grievous burden on the ministers laboring on these fields, who pay the deficiency rather than allow the Fund to suffer. I hope the next General Conference will be able to provide some remedy for this acknowledged evil.

The assessable income (consisting of amounts raised for ministerial support and connexional collections) has been increased, enough, I trust, to enable the Fund to meet all claims, without increasing the percentage above former years. I therefore recommend that the percentage be the same as in former years—6 per cent. on assessable income.

The Capital account has been increased during the year, through subscriptions, legacies, and donations, \$6,352.59, and it now stands at \$174,648.26.

STANDING RESOLUTIONS.

From Minutes of 1887.

WOMAN'S MISSIONARY SOCIETY.

Resolved,—That wherever, and as soon as deemed practicable, the Superintendent of each Circuit and Mission shall request the ladies of our Church to unite, and, in accordance with the provisions and requirements of the Discipline, organize branches of the Woman's Missionary Society.

CIRCUIT INVITATIONS.

The following preamble and resolution was reported to the Conference by the Stationing Committee, concurred in, and ordered to be printed in the Minutes:—

Whereas the work of this Stationing Committee has been rendered more difficult than otherwise it would have been by the fact that the Quarterly Official Boards of some Circuits within the bounds of the Conference had entered into private negotiations with ministers belonging to other Conferences, with a view to securing their services for these particular Stations, without due consideration being given to the convenience or comfort of ministers and their families now in the field, or to such an arrangement of the Stations as would ensure the most efficient administration of District and Conference work; therefore

Resolved,—That while we have, on this occasion, complied as far as possible with the expressed wishes of the Circuits concerned, we desire to kindly point out to the esteemed brethren composing the Quarterly Official Boards, that in so small a Conference as ours the pursuance of the course above referred to cannot fail to cause serious embarrassment to the Stationing Committee, lessen the efficiency of our Church as a whole, and disturb, to some extent, the present state of good feeling and mutual confidence so happily existing between ministers and people and among the various Circuits and Missions of our Conference. From Minutes of 1888.

Resolved,—That the General Conference collection be taken up in June of each year.

SPECIAL RESOLUTIONS.

SYMPATHY WITH REV. WM. POLLARD.

Moved by Rev. S. J. Thompson, seconded by Rev. C. Ladner,

Whereas we have heard with profound feelings of regret of the illness of our beloved Brother, Rev. W. Pollard, who in age and feebleness extreme is awaiting his Master's call to the higher service and glorious reward of eternal rest;

Resolved,—That we, his brethren in Conference assembled, extend to him our heartfelt sympathy, and pledge him our fervent prayers for the sustaining grace of God our Father in these declining days of life, that he may constantly realize that "underneath are the everlasting arms."

The Secretary was directed to send a copy of the above resolution to Mr. Pollard.

COMMITTEE TO WAIT UPON RAILROAD AND STEAMBOAT MANAGERS.

Resolved,—That the President and Secretary of Conference, Rev. E. Robson, and Messrs. Wm. Shannon, James Cunningham and David Spencer, constitute the Committee called for by the Sabbath Observance Committee's report.

ADMISSION OF WOMEN TO A PLACE ON CHURCH COURTS.

Moved by Rev. J. Hall, seconded by Rev. J. P. Howell, and

Resolved,—That whereas, one of the great movements of the age is in the direction of removing the disabilities, social and intellectual, under which woman, as the peer of man, has been placed in past ages, as seen in the equal status to which woman has been admitted in many of the higher institutions of learning, both in Europe and America; as also in the success which woman has already achieved in professional life, and as further seen in the right of franchise, which has been secured to woman equally with man in the constitution of some of the States in the neighboring Republic; and as still further seen in the very important place which woman now holds in furthering the missionary enterprises and temperance movements of the day, as in all other moral and benevolent agencies;

And whereas, the convictions of the Methodist Church are, and ever have been, foremost in the line of this great movement;

Therefore resolved,—That this Conference recommends the General Conference to give practical effect to these convictions by constituting woman, equally with man, eligible to membership in the Annual and General Conferences of our Church.

Resolved,—That each minister and preacher within the bounds of this Conference furnish to the Annual District Meeting a statement of the number of sermons preached during the year, and that Chairmen of Districts call for the same; said statements to be for the consideration of the District Meetings under section 175, s.-s. 1.

REV. J. E. STARR.

Moved by Rev. C. Ladner, seconded by Wm. McKay, Esq.,

Whereas, the Rev. J. E. Starr is removing to the Toronto Conference, and whereas, during the three years of his membership with this Conference we have been made acquainted with his rare gifts as a preacher, his unqualified loyalty to our Church, and his earnest zeal in the work of the Christian ministry;

Resolved,—That in his departure to another portion of the Lord's vineyard, he will still hold a prominent place in the affections of his brethren in the British Columbia Conference; and that we pray for his continued success in preaching Christ Jesus and Him Crucified, wherever he may be called of God to labor.

THANKS TO THE EX-PRESIDENT.

Moved by Rev. C. Ladner, seconded by Rev. J. Turner, and

POSTURE AT THE LORD'S TABLE.

Rev. E. Robson introduced the following resolution, seconded by Rev. Jos. Hall, and

Resolved,—That we request the General Conference to so amend the ritual for the Lord's Supper as to provide that the posture occupied by communicants shall be that of sitting instead of kneeling, as more in harmony with the origin and spirit of the institution.

THE ANNUAL ADDRESS

OF THE BRITISH COLUMBIA CONFERENCE OF THE METHODIST CHURCH TO THE SOCIETIES WITHIN ITS BOUNDS.

DEARLY BELOVED,—The return of the season for assembling in Conference, calls us again to the pleasing duty of addressing to you our Christian salutation. Grace unto you and peace from God our Father and the Lord Jesus Christ. We are bound to thank God always on your behalf, for you with us "hath He quickened, who were dead in trespasses and sins; and hath raised us up together, and made us sit together in heavenly places in Christ Jesus;" therefore "unto Him that hath loved us and washed us from our sins in His own blood, and hath made us kings and priests unto God, to Him be glory and dominion for ever and ever."

We have now closed the third year of our existence as a Conference, the review of which affords most satisfactory evidence of the efficacy of our instrumentalities, and the sanction of our Divine Head. We have been called upon to witness and record glorious displays of divine power in connection with the preaching of the Word of Life, and in the administration of the ordinances of God's house. To many has the former been "the power of God unto salvation," while the latter has been the very gate of heaven to them.

We cannot, however, beloved brethren, conceal our anxiety, lest in the joy and exultation caused by this tide of prosperity, you should cease to watch and pray, and thus lose the advantages which the gracious visitation was designed to bestow. It is a recognized principle of the divine government, that where much is given much will be required; and while our Lord is not an austere Master, reaping where He did not sow, and taking up that which He did not lay down, yet will He exact the uttermost farthing when talents and privileges have been given. Joy is the fruit of the Spirit, and as such is much to be desired, but it is not the means of Christian faithfulness, nor the standard of Christian duty. No amount of religious excitement can enable its subject to dispense with the public ordinances of God's house, nor can the power of religion be maintained in the soul if external causes abstract the mind from watching, prayer, and intercourse with God.

Permit us, then, to remind you of the great value of our established means of grace. Their efficiency and appropriateness in meeting all the wants of the faithful Christian, and their peculiar adaptation to promote the work of God, and to build up the Church of God, purchased with His own blood, is not now the subject of speculation. Both logical and divine demonstration has been given to the truth that the origin of these means

was higher than human. Endeavor to be present at all our prayer and class-meetings, and do not consider them by any means unimportant. Amid the cares and anxieties of your worldly duties, it is essential to your comfort and progress to renew your strength by frequent social intercourse with your brethren, bringing forth out of the treasury of a rich experience things both new and old, speaking to one another in psalms and hymns and spiritual songs, singing and making melody in your hearts unto the Lord, giving thanks always for all things unto God the Father in the name of our Lord Jesus Christ, submitting yourselves to one another in the fear of God.

Too much attention cannot be given to the young people of our congregations. For them, and for those whom we may gather from abroad, are our Sabbath-schools maintained. In this department of Christian exertion there is scope for the highest talent, and the most mature spirituality of mind. Let there be no lack of laborers.

It is not unfitting for us, in view of the tendency of these times to scepticism and free thought, to urge you to hold fast the essential doctrines which were held by our fathers, and which honored so fully the atonement of Christ, the agency of the Lord the Spirit, and have made our ministry efficient to the conversion and sanctification of sinful men. You will not fail to prize the spiritual standard of our theology, the doctrines and experiences which are essentially the glory of our Church. Let us never forget that religion is nothing else than the earnest life of God in the soul, the present witness, by the Holy Spirit, of a full and free salvation through the blood of Christ. If this present life of God be lost—if the witness of full acceptance be lost—we have lost the peculiar feature of our profession, which distinguished our fathers and made them worthy to suffer shame for Christ's sake. If this life of God truly abide in us, it will appear in all fruits of holiness, in the conduct, in acts of pure and exalted morality, in kindness and a liberal philanthropy, in self-denial of all reasonable and scriptural kinds, and in consistent observance of all the ordinances of the Gospel and the duties of church membership.

We commend to the earnest consideration of all our beloved people the desirability of promoting, by every legitimate means, the cause of temperance. There is not, in our estimation, any vice more injurious to social happiness, or more widely interfering with the moral and religious interests of society, than that of intemperance. Our Founder, with that far-seeing sagacity for which he was so remarkable, and in the exercise of wisdom from above, in framing regulations for the government of his societies, and in laying the foundations of the noble and spiritual edifice which shall bear his name to the latest period of the world's history, and in which it is our high honor to minister, so established the principles of Methodism as that even the advancing enlightenment of public opinion, and the full and zealous advocacy of total abstinence by Christian philanthropists of the present age, cannot bring to view the necessity of more stringent or direct disciplinary requirement than Mr. Wesley's own rule includes. We remind our membership that, as members of the Methodist Church, we are prohibited, not only from drunkenness and from buying and selling spirituous liquors, but also from drinking them, unless in cases of extreme necessity. We press upon your attention the conscientious observance of this important rule.

Think much of, prize highly, the Christian Sabbath. Let it be a delightful day, not a day for visiting or lounging, for idle or unprofitable conversation; but a day for worship, for meditation and prayer, for earnest and devoted labor to secure the salvation of souls.

With thankful feelings we inform you that three 'brethren, who have honorably fulfilled their probationary course, have been received into full connexion with the Conference, and ordained to the work of the ministry, and that two young men have been received as candidates for this holy work. But we have to regret the smallness of the number, while pressing calls from various portions of our work reach us for additional ministerial help in places but partially supplied with divine ordinances. "Pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest."

Finally, brethren, farewell. Be perfect, be of good comfort. Building yourselves on your most holy faith, praying in the Holy Ghost, keep yourselves in the love of God, looking for the mercy of the Lord Jesus Christ unto eternal life.

"Now unto Him that is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy; to the only wise God our Saviour, be glory, majesty, dominion and power, both now and forever. Amen."

C. BRYANT, *President.*

J. H. WHITE, *Secretary.*
